*XII BRAZILIAN SYMPOSIUM
ON MINERAL EXPLORATION*

Research, Innovation and Sustainability towards the future

Sponsorship Presentation

May 17 – 20, 2026, Ouro Preto (MG) – UFOP Arts & Convention Centre

The Brazilian Symposium on Mineral Exploration – SIMEXMIN is a bianual (even years) event designed to foster interaction of the mineral industry, academia and government sectors to proactively discuss the major advances, current challenges and the future of mineral exploration and mining in Brazil.

A GLANCE AT THE SIMEXMIN IN 2024

- ▶ 1,600 attendees
- ▶ International reach - 9 different countries
- ▶ 62 exhibitors including private companies, government and METS
- ▶ 53 technical presentations
- ▶ 4 short courses

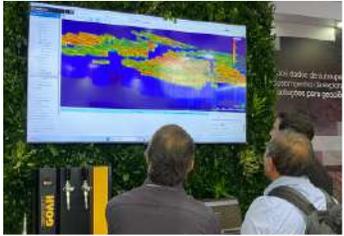

The XII SIMEXMIN will take place on May 17th – 20th, 2026, in person, at the Parque Metalúrgico “Augusto Barbosa” Convention Center, in the town of Ouro Preto (Minas Gerais state), Brazil.

The XII SIMEXMIN 2026 will have a special flavour, as ADIMB will celebrate its 30 years of existence.

Check on the next pages the event format and the benefits offered to our sponsors.

TECHNICAL PROGRAM

Technical sessions with talks delivered by industry, academia and government experts and international level keynote speakers in a broad variety of themes related to mineral exploration and mining in Brazil and other regions of the world.

MAIN THEMES

The evolution of mineral systems in brazilian mineral provinces	Exploration of critical minerals deposits in brazil: advances and new alternative sources
Advances in ore vectoring methods in mineral exploration	Reuse of mine tailings as secondary sources of energy transition metals
New perspectives in the exploration and development of iron ore projects	Geometallurgy in advanced mineral exploration projects
Geophysics applied to mineral exploration	Innovation and technological advances in the mining value chains in brazil
Investment and partnership strategies to accelerate critical minerals exploration projects in brazil	Diversity, equity and inclusion in the brazilian mineral sector: challenges and achievements

ExpoSIMEXMIN 2026

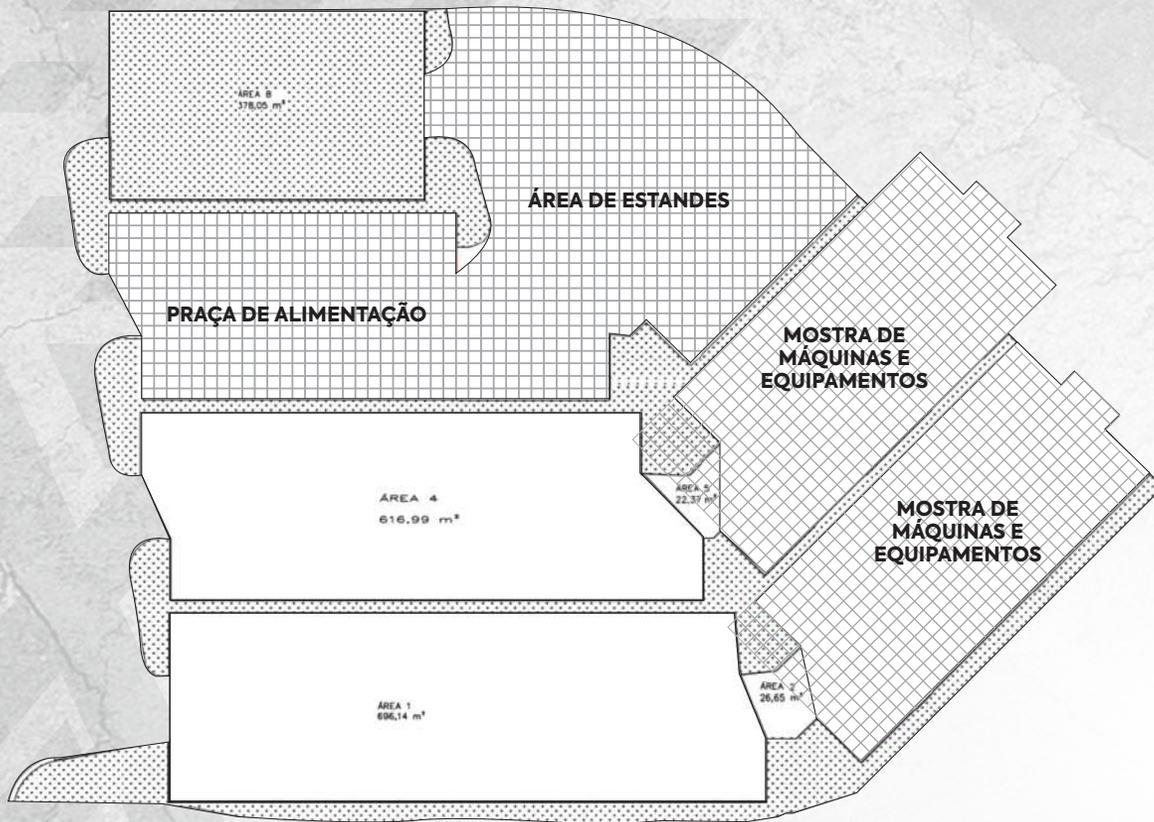

It is an exhibition area with booths, where private companies, government and METS will be able to display their products and services, in addition to networking and business opportunities.

ExpoSIMEXMIN 2026

IMPORTANT: the exhibition area has been expanded considerably to accommodate a larger number of booths.

In this area expansion, booths will take most of the first and second floors, as well second floors, including the UFOP square in front of the in front of the convention centre.

POSTER SESSION

The technical program at the XII SIMEXMIN 2026 will also include a poster session with the aim at promoting cutting-edge works on mineral exploration generated by Economic Geology research groups from universities and research institutions in Brazil.

Additional event: V National Meeting on Economic Geology (ENAGE) under the auspice of the Brazil's SEG Student Chapters.
